

KYOCERA CERAMIC KNIFE SHARPENING & BLADE REPAIR

Please complete the form and safely package your knives in a box (not a padded envelope). Allow 5 business days to complete the service once knives are received. NOTE: we can only sharpen straight ceramic blades, not micro-serrated knives. If you would like to send your micro-serrated knife we will remove the micro-serrated edge and make it a straight blade.

Suggested Packaging Instructions:

1. Using newspaper or heavy paper, roll knives diagonally from corner to the other. You do not need to individually wrap each knife.
2. Place knives in a proper box that fits the knives and packaging. Do not include any personal items, besides knives (towels, sheaths, etc)
3. Add additional packaging so that you cannot hear or feel the knives shift in the package when closed.
4. Included this form and payment in the package. Tape securely and label.
5. Please ask your preferred mailing/shipping company to provide you with a tracking number. You may protect your knives if desired by adding shipping insurance. EVERSHARP is not liable for lost shipments.
6. Orders that do not include payments with the form, allow 1-2 additional business days to process.
